ABOUT KOLD

Cold chain you can count on.

Kold designs and manufactures heavy-duty insulated cooler boxes built for serious cold-chain work — from fresh meat, seafood and dairy to pharmaceuticals, catering and field logistics. Every Kold box holds temperature for **6 days or more**, so your goods arrive exactly as they left.

Need cold storage for a one-off event, a delivery run, or a season? We both **sell and rent**, so you only pay for the cooling you actually need.

WHY KOLD

6+ days of ice retention

Industry-leading hold time on every model.

50 mm PU foamed walls

Dense, even, CFC-free, eco-conscious insulation.

Food-grade build

Safe for direct contact with meat, fish, dairy & produce.

Dual stainless latches

Heavy-duty, rust-resistant, secure sealing.

Silicone sealing ring

Food-grade seal locks the cold in, the heat out.

Buy or rent

Flexible options for businesses of every size.

270 LITRES · FLAGSHIP

Kold 270L Cooler Box

Maximum capacity for high-volume cold chain.
